Foreign exchange expenditure incurred by the Neyveli Lignite Corporation Ltd.

@2679-B. Shri D. B. CHANDRE GOWDA : Will the Minister of ENERGY be pleased to state :

(a) whether an inquiry was held into the question of foreign exchange expenditure incurred by the Neyveli Lignite Corporation Limited, Neyveli, Tamil Nadu, in connection with the procurement of mining equipment during the last four years.

(b) whether Government had received several reports and representations from various sources against the Neyveli Lignite Corporation Ltd.;

(c) if so, what are the facts and the details thereof; and

(c) what further steps are being contemplated to ensure that the NLC does not use the foreign exchange loan to procure any further defective equipment to cause losses to the country ?

THE MINISTER OF ENERGY (SHRI VASANT SATHE) : (a) No, Sir.

(b) and (c) Neyveli Lignite Corporation have been procuring equipment through global tenders for its Second Mine-Stages I & II. Some representations were received in respect of two of these tenders. These were (i) purchase of spreaders for the Second Mine-Stage II, and (ii) placing of orders for conveyors. In both these cases, as in others, NLC had followed the prescribed procedures and its decisions have been concurred with by the West German financing agency which had extended credit assistance to the two projects.

(d) Does not arise.

@ Previously unstarred question 2703 transferred from the 2nd December, 1986.
